

WORK STUDY APPLICATION

Thank you for your interest in Velocity's Work-Study program. The Work-Study program is specifically designed for those who are passionate about dance and want to get more involved in the Velocity community.

Our program consists of weekly cleaning and/or administrative shifts and we ask that students commit to the program for at least 3 months. This is not a volunteer position and Work-Study applicants must be able to demonstrate respect, reliability and accountability. In exchange, Work-Study students receive unlimited Velocity classes.
