VELOCITY DANCE CENTER

Artist Circle Member 2023-24 Application

About Velocity:

Founded in 1996, Velocity is an artist-led nonprofit in Seattle, WA that is dedicated to providing Seattle dance-makers with the resources, advocacy, and collaborative support they need to blossom their ideas into impactful art and community actions. This is central to our mission to advance contemporary dance and movement-based art by fostering the creative explorations of artists and audiences. We do this through flexible and responsive platforms that support dance research and creation, movement education, and opportunities to share and experience contemporary dance performance.

Our core programs include Velocity's Creative Residency Programs, a ladder of new work incubator programs and process-driven residencies; Movement Education Programs, which provide training and classes for beginning through professional dancers, including the Seattle Festival of Dance + Improvisation; and Velocity Presents, a full season of performances, discussions, and community collaborations.

Velocity's programs create employment and artistic opportunities for more than 100 artists each year and our work reaches up to 20,000 audience members and class-takers annually.

Responsibilities include:

Curation + Artist Mentorship

- Attend, in-person, the four 8 hour retreat days during tenure
- Contribute to organizational conversations about strategies and ideas for Velocity's present and future informed by the organization's lineage and the input of our artists and supporters. The Artist Circle was created to think outside the box, and we also encourage creativity of how to tow the line between following and upholding current practices and structures of Velocity's programming, budgets and timelines, with the ability to vision and think beyond our current structures.
- Offer perspective, insight and ideas about the needs of the greater Seattle experimental dance community and how Velocity can grow to expand and meet those needs.

- Act as an ambassador for Velocity Dance Center, by being aware of the season's performances and programming, promoting and engaging involvement with artists, community partners and audiences.

- A familiarity with the Seattle arts and dance landscape. Candidates are ideally tapped into a broad network and are seen as leaders or innovators in their respective community
- We are seeking a diversity of lived experiences and identities, in order to have a vantage point that we do not currently hear enough from in the Velocity team.
- Be passionately creative and possess the ability to develop original ideas for artistic programming in line with Velocity's mission and organizational goals.
- Have great communication skills and a passion for creative thinking - expansive and practical - with an ability to work independently and collaboratively as part of the Artist Circle
